

Spring 2010 Community Survey – Selected Responses

December 15, 2010

Thinking about California community colleges, which one of the following do you feel is the single most important role that they should play?

- ✓ Getting students started on their education after high school and preparing them for 4-year colleges (42%, N = 332)
 - ✓ Providing vocational training both to prepare students for the job market and to keep the current local workforce up-to-date (44%, N = 352)
 - ✓ DK/NA (14%, N = 108)
- Total N = 793

Have you or any member of your household ever taken a class at Foothill College or De Anza College?

- ✓ Foothill College (51%)
- ✓ De Anza College (43%)
- ✓ No (29%)
- ✓ DK/NA (1%)
 - About 70% of households had taken a class at FHDA
