Definition:

Participation Rate, as used in this table, means the percentage of June High School graduates of the specified year who enrolled at the college in the immediately following fall quarter. Students enrolling in subsequent quarters are not included.

Notes:

As categorized by the CA Dept of Education, the educational program type of the schools shown are mostly traditional 9th-12th grade. Other educational program types denoted include Alternative, Community Day or Continuation. Any deviation to the 9th-12th grade range are denoted accordingly. Schools that closed at any time during 2012-2021 were omitted. Schools that are open but FHDA did not enroll any students over the past 10 fall terms were omitted.
