FHDA Credit Student Headcount by Military Status and College, 2016-17

This document provides headcount figures by military service status for students who were registered in at least one credit course by census date at Foothill College or De Anza College any term of the 2016-17 academic year. The information provided here is based on student records extracted from the District's information system, which include data from the admissions application (items related to military status), student accounts (tuition assistance, fee waivers), and student attributes or cohort activity (indicators used to identify students receiving benefits or priority registration). Headcount figures by military status and college are shown below.

FHDA Credit Student Headcount by Military Status and College, 2016-2017

	Foothill	De Anza	District
Currently serving in the military (Active Duty, Reserve or National Guard)	137	186	314
Veteran	579	500	1,050
Student's parent, guardian, or spouse is currently serving in the military or is a veteran.	344	263	574
Total (student meets at least one of the criteria described above)	1,044	916	1,891
Total Percentage (based on "All Credit Students")	(3%)	(3%)	(3%)
All Credit Students	31,820	32,262	60,960

Notes

Data include students who was registered in a at least one credit course by census date. Headcount figures are not mutually exclusive for some students may have registered at both colleges during the academic year. (Del Rio-Parent)
